

## **Covid 19 preventive measures – Hotel Restaurant Tenne**

As the situation changes almost every day and some measures are adopted again after a short period of time, we are always endeavouring to adapt these regional measures without losing our hygiene standards.

### **Our measures at the Restaurant Tenne for your safety**

- Contactless hand disinfection next to the entrance of our restaurant - please use it!
- It is necessary for guests to wear a mouth-nose mask when entering and leaving the restaurant
- A nice place is reserved for you, of course with the necessary minimum distance to your neighbour
- All staff in the restaurant wear mouth-nose masks to protect others and themselves
- Open the menu card on your own smartphone – no worries, you can also have a disinfected printed menu as usual
- Your contact details will be recorded by a QR code. Please be serious and don't worry, those data are only as a precaution
- Regularly ventilation in all areas
- Follow the instructions of our employees

### **Our measures at the Hotel Tenne for your safety**

- Staff well trained and informed about the hygiene measures
- Distance regulations and provisions
- Contactless hand disinfection next to the entrance of our restaurant - please use them!
- Please keep distance to other guests and to our staff
- We check the temperature from our staff on daily bases before work as well as their physical conditions
- Please wear a mouth and nose protections mask on arrival and in all public areas in our hotel
- Increased cleaning intervals in all areas
- Departure rooms are completely disinfected with the help of UV radiation
- We try to keep the departure rooms empty for one night, subject to availability
- A hygienic cleaning plan ensures a carefree stay
- Please pay attention to the indicated maximum number of visitors in our Sauna area
- Keep the respect to the other guests and ensure a minimum distance of 1 meter
- Your table is already reserved for breakfast and dinner
- Easy pre check in with our virtual check in form – with your smartphone or computer
- Please refrain from shaking hands and hugs, even to the family Huter as well as to the Tenne staff
- Wash your hands several times a day with water and soap, at least for 30 seconds and avoid touching your face
- Use regularly the disinfection options at all entrances and exits
- Sneezing and coughing in your own elbow or in a tissue
- Follow the instructions of our employees
- Do not travel in case of the first signs of illness!
- We ask for personal responsivity
- In case of illness during you stay, please contact immediately you host family Huter
- Please observe the Covid 19 rules of conduct throughout the Arlberg region, so you can enjoy a carefree and hopefully a non-infectious holiday with us
